A FAMILY CAN BE...

An OK K.O.! Let's Be Heroes Fanzine!

With the passage of the third anniversary of OK K.O.! Let's Be Heroes this year, we realized there's been a severe lack of the show's special brand of goofy wholesomeness in the world! The time has come to remedy this situation... But how? Well, with a zine of course!

One of our favorite things about the show is the inclusion and celebration of all sorts of families. From the bodega gang, to the (occasionally bumpy) Boxmore-Venomous merger, to K.O. and his mom, to K.O. and his DAD(?!) there are so many different ways "a family can be"! We wanted to create a zine that showcased these fun dynamics. Luckily, when we put out the call, we were answered by tons of incredible artists who still loved the show! For the past several months, a team of 45 artists graciously donated their time, energy, and artistic skill in order to create a zine we're exceedingly proud to share!

Thank you to our participating artists, the cast and crew that made OK K.O.! Let's Be Heroes such a lovely and refreshing show, our own families (given and found), and YOU!

Between January 8th and February 8th 2021, this fanzine was able to raise $800 for nationalbailout.org. On February 13th, all funds were donated. NBO accepts donations year round, if you enjoy our zine, please consider donating directly to the cause!

Be sure to check out our
participating artists on their social media &
